Name of the activity: One day workshop on 'GST Accounting with Tally'

Date & Time of the activity: 11/10/2024, 10.00 am

Report

On 11/10/2024, B.Com. students of our college attended a one-day workshop on GST Accounting with Tally. The goal of the event was to give students a hands-on understanding of Goods and Services Tax (GST) compliance and how it integrates with Tally, a popular accounting program. Mr. Bhandare .A. P., a GST specialist with substantial background in taxation and financial accounting, led the session.

Mr. Kashid K.A. gave a welcoming address and introduced the resource person during the inaugural session. The chief guest Dr. Barale S.I. spoke to the students during the inaugural session of the workshop, stressing the value of comprehending GST in the current economic climate. After that, the resource person gave an overview of the GST framework, going over topics including submitting returns, GST registration and input tax credits.

The students responded favorably to the workshop and valued the hands-on experience with Tally and GST. Numerous students reported feeling more confident while managing GST-related assignment, and they showed a strong desire to continue their education in more complex accounting subjects.

Workshop prepared students for professional challenges in the fields of accounting and taxation by bridging the gap between academic knowledge and practical application. The student representatives gave feedback about workshop. A vote of thanks was delivered by the Mrs. Chougule A.A. This workshop became successful under the expert guidance of Prin. Dr. D. R. Bhosale.

Beneficiaries: **80 Students**

Objective of the workshop:

1. To impart knowledge of the fundamental ideas and tenets of the GST structure.
2. To illustrate how Tally may be used for accounting and compliance with GST.
3. To get students ready for industry-specific financial and tax management requirement.
4. To improve employability through the development of useful accounting abilities.

Mr. Bhandare A.P. guided the students in one day workshop on 'GST Accounting with Tally'
