Industrial Visit – Infosys

Date: 29/02/2020

Academic Year 2019-2020

A Report

Objectives:

1. To experience how multinational company works.
2. To develop skills needed for interview.
3. To enrich personality development skills, especially soft skills.

Department of Commerce visited Infosys (Hinjawadi Phase IV Pune) on Saturday, 29th February, 2020. There were 19 Girls, 17 Boys and 5 faculty members. Mr. Amitesh Pande was our guide. He guided us throughout the day. The day started with registration and basic information about Infosys company. Then we had breakfast at 10am.

The first session started with Mr. Joseph's enthusiastic conversation with all the participant. He guided us to enrich interview skills. He also inspired through his life story and guided on how to tackle problem of English.

The second session started with Mr. Alok Mishra's guidance through games. He introduced Rainbow game for faculty members and speed – Num – ber game for students.

We had lunch on one of the food court in the campus. Then we went for the campus tour with Mr. Amitesh. He toured us through different software development buildings (SDC), food court, modern parking building, offices, gardens, playgrounds and beautiful campus where 40,000 employees works. We leave the campus at 4.30pm with load of information and practical knowledge.
