Commerce Association (2025-26)
Guest lecture on 'Research Methodology' Report
Date & Time of the activity: 10/03/2026, 10.00 am

The Department of Commerce organized a guest lecture on "Research Methodology" for B.Com and M.Com students. The session was conducted by Dr. Sandip Mane, an experienced academician and researcher. The lecture aimed to introduce students to the basic principles of research methodology, including research design, data collection methods, hypothesis formulation, and interpretation of results. Dr. Sandip Mane discussed the value of research in both academic and professional domains during the event. He also discussed different types of research such as descriptive, analytical, and experimental research.

In his presidential speech, Principal Dr. A. C. Shinde stressed the importance of research skills for commerce students and encouraged them to participate in research projects for both academic and professional advancement.

Overall, the guest lecture was very beneficial for B.Com and M.Com students and provided them with valuable knowledge about research methodology. This activity was coordinated successfully by Dr. Patil S.V. under the expert guidance of Prin. Dr. A.C.Shinde with the active participation of 66 commerce students. The event concluded with a vote of thanks by Mr. Kashid. K.A.

Objective of the Activity	Outcomes of the Programme	Benefi.
To introduce the concept and importance of research methodology.	Students gained basic knowledge of research methodology.	66
To guide on selecting appropriate research topics.	They understood the process of conducting systematic research.	
To explain methods of data collection and analysis	They learned different techniques of data collection and analysis.
