Report

Objectives of the Activity:

- To enhance students' interview skills, including effective communication, professional presentation, and confidence building.
- To boost students' self-confidence and reduce anxiety by providing a simulated interview experience in a supportive environment.
- To bridge the gap between theoretical knowledge and practical application by exposing students to real-world interview formats, questions, and scenarios relevant to commerce and corporate sectors.

On Saturday, March 28th, 2026, the Department of Commerce & Management of the college organized a Mock Personal Interview session for the students of B.Com. This initiative was designed to equip the students with essential interview skills, boost their confidence, and prepare them for the professional world as they approach the end of their academic journey. The event was conducted with the active involvement of senior faculty members and college authorities, reflecting the institution's dedication to the holistic development of its students.

The mock personal interview session was attended by several prominent figures from the college. The Principal, Dr. A.C. Shinde, graced the occasion with his presence, offering encouragement and emphasizing the importance of such practical exercises in shaping the students' future careers.

From the Commerce Department, Dr. S.V. Patil, Head of the Department of Commerce & Management, played a key role in organizing and overseeing the event. Faculty members Mr. K.A. Kashid and Mr. A. S. Bille were actively involved, serving as interviewers and mentors to provide students with constructive feedback.

Throughout the session, the faculty provided individualized feedback, highlighting the students' strengths and offering suggestions for improvement. This hands-on approach ensured that the students gained practical insights into interview etiquette, body language, effective communication, resume presentation, and handling common as well as subject-specific questions relevant to the commerce field.

Outcomes of the Activity:

1. The mock personal interview successfully enhanced students confidence, communication skills and interview techniques through practical experience and personalized feedback.
2. The session effectively prepared 32 students for real-world job interviews by bridging the gap between academic knowledge and professional requirements.

Beneficiaries:
