Date- 11/09/2025

Report

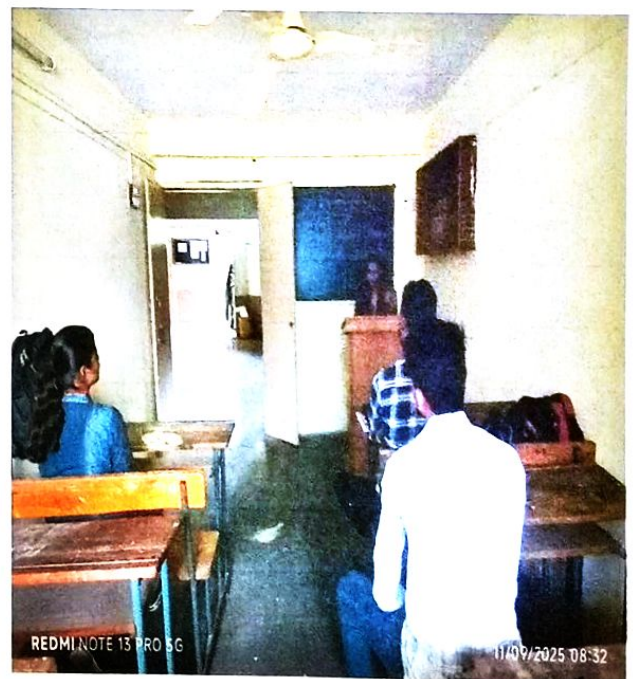

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

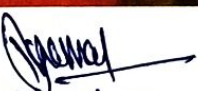

To mark the occasion of Teacher's Day, the Department of Sociology organized a unique activity where Students played the role of teachers. The purpose of this activity was to make students realize the responsibilities of a teacher, to give them first-hand experience of teaching, and to encourage a deeper understanding of the subject of Sociology.

This initiative was not merely symbolic; it offered students a chance to step into the shoes of a teacher and understand the seriousness and dedication required for the teaching profession.
